

## ASC Proposal Log

February 25, 2007

- 1) Nominees must be present on the day of elections in order to still be considered for the position for
- 2) In the event of a tie during an election, the executive committee will serve as additional voting members in an effort to break the tie. These members consist of the Facilitator, Co-Facilitator, Recorder, Treasurer, Co-Treasurer, and the Policy Facilitator. The Facilitator would only vote if their vote were necessary to assure an odd number of votes.
- 3) The percent of voting members needed to reach consensus was established at 75%.
- 4) Discussion of proposals was limited to 15 minutes.
- 5) Added violation of a concept as one of the reasons a proposal can be blocked.
